

Institut "Jožef Stefan", Ljubljana, Slovenija

Institute of the Estonian Language

# eTranslation TermBank

Stimulates the collection and provision of **terminological resources**  
in sector-specific domains and languages of interest  
to sector-specific digital public services

Sector-specific domains and digital public services in focus:

- Health to support CEF DSI **eHealth**
- Business legislation to support CEF DSI **e-Justice**
- Customer protection to support CEF DSI **ODR**

Outcomes:

- 150 terminological resources for **official languages of the EU plus Norwegian and Icelandic**
- "Terminology for Europe" network for **sustainable cooperation with CEF.AT**
- Pipeline of **terminological resources flow to CEF.AT**
- Directory of entities dealing with **terminology on national level**
- Directory of existing **terminological resources in the three sector-specific domains for CEF.AT**
- Methodology for **preparation and application of terminological resources for CEF.AT**

Impact:

- Improve the **quality and coverage of CEF AT**

Partners:

- **Tilde**, Latvia (coordinator)
